EDUCATION

B.Tech,Computer
Malaviya National Institute of Technology

08/2018 - Present   *7.65*

Higher Secondary
Nirmala Memorial

06/2016 - 06/2018   *87.85%*

WORK EXPERIENCE

ML/AI Internship
Icertis

05/2021 - 07/2021

Icertis is a software company that provides contract management software to enterprise businesses. The company is headquartered in Bellevue, Washington.

Legal Clause Classification in contracts using different position embeddings

- Generated classification metrics using pretrained Word2Vec and fine tuned Word2Vec on legal text.
- Improved clause classification metrics by 1.5% using trigonometric position embeddings.
- Further created a transformer model in keras for complex postional embeddings (encoding in complex field) and performed analysis for different model architectures.

SKILLS

`C++` `C` `DSA` `NodeJs` `MongoDb`

`ReactJs` `Python` `Git` `ReactNative`

`HTML` `CSS` `JavaScript`

PERSONAL PROJECTS

Connect + (10/2020 - 11/2020) ⧉
- It is one stop application for developers of a community to come and collaborate with each other on various projects or group together to learn new technologies
- College students can form communities and connect with other colleges to take part in hackathons
- Used **ReactJS** with **bootstrap** for UI and **Node** with **MongoDB** for backend (Source code)

Shop-App (07/2020 - 07/2020) ⧉
- Developed an e-commerce style expo mobile app using **react native** in which users can create their own products to sell(edit/delete) and also buy products and add them to their cart
- **Firebase** as real-time database and for authentication.

Stock-Market (04/2020 - 05/2020) ⧉
- Developed a dummy web-app which allows users to maintain their portfolio by buying stocks. It shows all the past details and live trends fetching data from an api .
- Can be used for dummy stock market events in colleges and companies for training purposes.
- Used **HTML,CSS** for front-end and **Node** with **MongoDB** for backend

ACHIEVMENTS

Specialist on Codeforces with a rating of (1463). (Handle:- hvs123) ⧉

Solved 150+ problems on leetcode- (Heet_04) ⧉

Bagged rank 2640 is Goggle Kickstart round C(2020)
